

Date	Content	Detailed Content	Duration	Teacher
25/8 周日	Professional Standards in Nursing (1)	Chapter 5 Cultural Awareness and Health Practices (P32-39) I. African Americans II. Amish III. Asian Americans IV. Hispanic and Latino Americans V. Native Americans VI. White Americans VII. End-of-Life Care VIII. Complementary and Alternative Medicine (CAM) IX. Herbal Therapies X. Low-Risk Therapies	9:00-11:00	Emmy Li
27/8 周二	Unit VI Maternity Nursing (1)	CHAPTER 24 Reproductive System(P291-295) I. Female Reproductive Structures II. Male Reproductive Structures III. Menstrual Cycle IV. Female Pelvis and Measurements V. Fertilization and Implantation VI. Fetal Development VII. Fetal Environment VIII. Fetal Circulation IX. Family Planning CHAPTER 25 Prenatal Period(P299-300) I. Gestation II. Gravidity and Parity III. Pregnancy Signs IV. Fundal Height	20:00-22:00	Euphy Jiang
31/8 周六	Professional Standards in Nursing	Chapter 6 Ethical and Legal Issues(P44-53) I. Ethics	9:00-11:00	Emmy Li

	(2)	II. Regulation of Nursing Practice III. Legal Liability IV. Collective Bargaining V. Legal Risk Areas VI. Client' s Rights VII. Informed Consent VIII. Health Insurance Portability and Accountability Act IX. Confidentiality/Information Security X. Legal Safeguards		
1/9 周日	Professional Standards in Nursing (3)	Chapter 6 Ethical and Legal Issues(P53-54) XI. Advance Directives XII. Reporting Responsibilities Chapter 7 Prioritizing Client Care: Leadership, Delegation, and Emergency Response, Planning (1) (P59-63) I. Health Care Delivery Systems II. Nursing Delivery Systems III. Professional Responsibilities IV. Power V. Empowerment VI. Formal Organizations VII. Evidence-Based Practice VIII. Quality Improvement IX. Change Process	9:00-11:00	Emmy Li
3/9 周二	Unit VI Maternity Nursing (2)	CHAPTER 25 Prenatal Period(P300-308) V. Physiological Maternal Changes VI. Psychological Maternal Changes VII. Discomforts of Pregnancy VIII. Maternal Risk Factors IX. Antepartum Diagnostic Testing	20:00-22:00	Euphy Jiang

7/9 周六	Professional Standards in Nursing (4)	Chapter 7 Prioritizing Client Care: Leadership, Delegation, and Emergency Response, Planning(2) (P64-71) X. Conflict XI. Roles of Health Care Team Members XII. Interprofessional Collaboration XIII. Interprofessional Consultation XIV. Discharge Planning XV. Delegation and Assignments XVI. Time Management XVII. Prioritizing Care XVIII. Disasters and Emergency Response Planning	9:00-11:00	Emmy Li
8/9 周日	Nursing Sciences (1)	Chapter 8 Fluids and Electrolytes(1) (P78-85) I. Concepts of Fluid and Electrolyte Balance II. Fluid Volume Deficit III. Fluid Volume Excess IV. Hypokalemia V. Hyperkalemia	9:00-11:00	Emmy Li
10/9 周二	Unit VI Maternity Nursing (3)	CHAPTER 25 Prenatal Period(P308-310) X. Nutrition CHAPTER 26 Risk Conditions Related to Pregnancy (P314-316) I. Abortion II. Anemia III. Cardiac Disease IV. Chorioamnionitis V. Diabetes Mellitus	20:00-22:00	Euphy Jiang
17/9 周二	Unit VI Maternity Nursing (4)	CHAPTER 26 Risk Conditions Related to Pregnancy (P316-324) VI. Disseminated Intravascular Coagulation (DIC) VII. Ectopic Pregnancy VIII. Endometritis	20:00-22:00	Euphy Jiang

		IX. Fetal Death in Utero X. Hepatitis B XI. Hematoma XII. HIV and AIDS XIII. Hydatidiform Mole XIV. Hyperemesis Gravidarum XV. Gestational Hypertension XVI. Incompetent Cervix XVII. Infections		
21/9 周六	Nursing Sciences (2)	Chapter 8 Fluids and Electrolytes(2) (P85-91) VI. Hyponatremia VII. Hypernatremia VIII. Hypocalcemia IX. Hypercalcemia X. Hypomagnesemia XI. Hypermagnesemia XII. Hypophosphatemia XIII. Hyperphosphatemia	9:00-11:00	Emmy Li
22/9 周日	Nursing Sciences (3)	Chapter 9 Acid-Base Balance (P97-103) I. Hydrogen Ions, Acids, and Bases II. Regulatory Systems for Hydrogen Ion Concentration in the Blood III. Respiratory Acidosis IV. Respiratory Alkalosis V. Metabolic Acidosis VI. Metabolic Alkalosis VII. Arterial Blood Gases (ABGs)	9:00-11:00	Emmy Li
24/9 周二	Unit VI Maternity Nursing (5)	CHAPTER 26 Risk Conditions Related to Pregnancy (P323-324) XVII. Multiple Gestation	20:00-22:00	Euphy Jiang

		XVIII. Pyelonephritis XIX. Sexually Transmitted Infections XX. Tuberculosis XXI. Urinary Tract Infection XXII. Obesity in Pregnancy CHAPTER 27 Labor and Birth(P332-334) I. Process of Labor—4 P’ s II. Mechanisms of Labor III.Leopold’ s Maneuvers		
28/9 周六	Nursing Sciences (4)	Chapter 10 Vital Signs and Laboratory Reference Intervals (1) (P108-113) I. Vital Signs II. Temperature III. Pulse IV. Respirations V. Blood Pressure VI. Pulse Oximetry VII. Pain	9:00-11:00	Emmy Li
29/9 周日	Nursing Sciences (5)	Chapter 10 Vital Signs and Laboratory Reference Intervals (2) (P113-118) VIII. Pharmacological Interventions IX. Laboratory Reference Intervals Overview (Case study)	9:00-11:00	Emmy Li
