Confidentiality/Information Security X. Legal Safeguards XI. Advance Directives XII. Reporting Responsibilities Chapter 7 Prioritizing Client Care: Leadership, Delegation, and Emergency Response Planning I. Health Care Delivery Systems | 20:00-22:00 | Cici Liu |
| 2020年8月2日 | 周日 | 57期基础护理 | Professional Standard in Nursing (4) | Chapter 7 Prioritizing Client Care: Leadership, Delegation, and Emergency Response Planning II. Nursing Delivery Systems III. Professional Responsibilities IV. Power V. Empowerment VI. Formal Organizations VII. Evidence-Based Practice VIII. Quality Improvement IX. Change Process X. Conflict XI. Roles of Health Care Team Members XII. Interprofessional Collaboration XIII. Interprofessional Consultation XIV. Discharge planning XV. Delegation & Assignments | 20:00-22:00 | Cici Liu |
| 2020年8月5日 | 周三 | 57期产科 | Maternity nursing 2 | Chap 21 prenatal period 1 Gestation 2 Gravidity and parity 3 Pregnancy signs 4 Fundal height 5 physiological maternal changes 6 Psychological maternal changes 7 Discomfort pregnancy 8 Maternal risk factors 9 antepartum diagnosis testing 10 nutritions | 19:00-21:00 | Laura Guo |
| 2020年8月8日 | 周六 | 57期基础护理 | Professional Standard in Nursing (5) & Foundations of Care (1) | Chapter 7 Prioritizing Client Care: Leadership, Delegation, and Emergency Response Planning XVI. Time Management XVII. Prioritizing Care XVIII. Disasters and Emergency Response Planning Chapter 8 Fluids and Electrolytes I. Concepts of Fluid and Electrolyte Balance | 20:00-22:00 | Cici Liu |
| 2020年8月9日 | 周日 | 57期基础护理 | Foundations of Care (2) | Chapter 8 Fluids and Electrolytes II. Maintaining Fluid and Electrolyte Balance III. Fluid Volume Deficit IV. Fluid Volume Excess V. Hypokalemia VI. Hyperkalemia VII. Hyponatremia VIII. Hypernatremia IX. Hypocalcemia X. Hypercalcemia XI. Hypomagnesemia XII. Hypermagnesemia | 20:00-22:00 | Cici Liu |
| 2020年8月12日 | 周三 | 57期产科 | Maternity nursing 3 | Chap 22 risk conditions related to pregnancy 1 Bleeding during pregnancy 2 Abortion 3 Cardiac diseases 4 Chorioamnionitis 5 DM 6 DIC 7 Ectopic pregnancy 8 Fetal death in utero 9 Hepatitis B 10 Hematoma 11 HIV and AIDS 12 Hydatidiform molem 13 Hyperemesis gravidarum | 19:00-21:01 | Laura Guo |
| 2020年8月15日 | 周六 | 57期基础护理 | Foundations of Care (3) | Chapter 8 Fluids and Electrolytes XIII. Hypophosphatemia XIV. Hyperphosphatemia Chapter 9 Acid-Base Balance I. Hydrogen Ions, Acids, and Bases II. Regulatory Systems for Hydrogen Ion Concentration in the Blood III. Respiratory Acidosis IV. Respiratory Alkalosis V. Metabolic Acidosis VI. Metabolic Alkalosis VII. Arterial Blood Gases (ABGs) | 20:00-22:00 | Cici Liu |
| 2020年8月16日 | 周日 | 57期基础护理 | Foundations of Care (4) | Chapter 10 Vital Signs and Laboratory Reference Intervals I. Vital Signs II. Temperature III. Pulse IV. Respirations V. Blood Pressure VI. Pulse Oximetry VII. Pain VIII. Pharmacological Interventions IX Laboratory Reference Intervals 上 (A. Methods for drawing blood, B. Serum sodium, C. Serum potassium, D. aPTT, E. PT/INR) | 20:00-22:00 | Cici Liu |
| 2020年8月19日 | 周三 | 57期产科 | Maternity nursing 4 | chap 21 prenatal period 14 Hypertensive disorders of pregnancy 15 Incompetent cervix 16 Infections 17 Multiple gestation 18 placental abnormalities 19 placenta previa 20 abruptio placentae 21 Pyelonephritis 22 STI 23 Tuberculosis 24 UTI 25 Obesity in pregnancy 26 Additional complications 27 Summary | 19:00-21:00 | Laura Guo |
| 2020年8月22日 | 周六 | 57期基础护理 | Foundations of Care (5) | Chapter 10 Vital Signs and Laboratory Reference Intervals VI Laboratory Reference Intervals 下 (F. Platelet count, G. Hemoglobin & Hematocrit, H. Lipids, I. Fasting blood glucose, J. HgbA1C, K. Renal function studies, L. WBC count) Chapter 11 Nutrition I. Nutrients II. Malnutrition Laboratory Markers III. MyPlate IV. 2015-2020 Dietary Guidelines for Americans V. Therapeutic Diets 上 (A. Clear liquid diet, B. Full liquid diet, C. Mechanical soft diet, D. Soft diet, E. Low-fiber diet, F. High-fiber diet) | 20:00-22:00 | Cici Liu |
| 2020年8月23日 | 周日 | 57期基础护理 | Foundations of Care (6) | Chapter 11 Nutrition V. Therapeutic Diets 下 (G. Cardiac diet, H. Fat-restricted diet, I. High-calorie, high protein diet, J. Carbohydrate-consistent diet, K. Sodium-restricted diet, L. Protein-restricted diet, M. Gluten-free diet, N. Renal diet, O. Potassium-modified diet, P. High-calcium diet, Q. Low-purine diet, R. High-iron diet) VI. Vegan and Vegetarian Diets VII. Enteral Nutrition Chapter 12 Health and Physical Assesment of the Adult Client I. Environment/Setting II. Health Hisotry III. Mental Status Exam IV. Physical Exam | 20:00-22:00 | Cici Liu |

| | | | | | | |
|------------|----|---------|-------------------------|--|-------------|-----------|
| 2020年8月26日 | 周三 | 57期产科 | Maternity nursing 5 | Chap 23 labor and birth 1 Process of labor 2 Mechanism of labors 3 Leopold' s maneuvers 4 Breathing techniques 5 Fetal monitoring 6 Four stage of labor 7 Anesthesia 8 Obstetrical procedures 9 Summary | 19:00-21:00 | Laura Guo |
| 2020年8月29日 | 周六 | 57期基础护理 | Foundations of Care (7) | Chapter 12 Health and Physical Assesement of the Adult Client V. Body System Assessment上 (A. Integumentary system, B. Head, Neck, and Lymph nodes, C. Eyes, D. Ears, E. Nose, Mouth, and Throat) | 20:00-22:00 | Cici Liu |
| 2020年8月30日 | 周日 | 57期基础护理 | Foundations of Care (8) | Chapter 12 Health and Physical Assesement of the Adult Client V. Body System Assessment中 (F. Lungs, G. Heart, H. Breast, I. Abdomen, J. Musculoskeletal system, K. Neurological system) | 20:00-22:00 | Cici Liu |
